(2) The present leave rules seem all right. The proposal to give leave concessions to daily rated staff to whom the existing rules are not admissible is not necessary. The distinction between those getting a pay of more than Rs.20/- and those getting less re: leave concessions does not also seem necessary.

(3) The proposal to liberalise the leave rules involving extra cost is thus not urgent nor financially acceptable.

To

M. Venkatanaranappa, Esquire, B.A.,
Secretary to the Government
of H. H. the Maharaja of Mysore,
Development Department, *Bangalore.*

Sir,

I have the honor to state that as per Government Order No.7759-60/Ft. 69-32-2 dated 2nd May 1933 the temporary employees working in the Wood Preservation Plant at Bhadravati and at the Saw Mills, Shimoga are entitled to the following leave:-

(a) 10 days' leave with full pay for every year of completed service,

(b) Special leave with full pay for a period not exceeding 30 days at a time on account of sickness or injury on production of medical certificate from a medical officer not below the rank of an Assistant Surgeon.

2. The Conservator of Forests, Shimoga, recommends that the leave rules obtaining in the Mysore Iron and Steel Works, Bhadravati, which are very reasonable may kindly be made applicable to members borne on temporary establishments of both the Wood Preservation Plant, Bhadravati and of Saw Mills, Shimoga, as the existing leave rules are represented to be inadequate. Though I am not in complete agreement with view of the Conservator of Forests in the matter I consider that the leave rules of the temporary staff of the above two institutions should be made more liberal.

3. I would therefore request you to be good enough to obtain sanction of Government for the grant of leave to the above Temporary Establishment as detailed below and communicate the same to me early:-

For daily rated and monthly rated staff on pay of less than Rs.20/- per mensem.

(1) Vacation for two weeks with full pay for every completed one -

Iron works (continued)

The pay during sick leave will be calculated on the average pay drawn for the 12 months preceding the leave — This leave cannot be accumulated

year's service. The above leave may be accumulated up to a period of six weeks. The grant of this leave is contingent upon good conduct, regular attendance and at the convenience of the Institutions. The above leave may also be granted on account of injuries sustained upon production of medical certificate to the maximum extent mentioned above.

Monthly rated staff on a pay of Rs.20/- and above.

(1) Casual leave on full pay for not exceeding five days in a year in case of sickness, private affairs or for other urgent reason. Such leave can only be sanctioned when it is not detrimental to the work of the institution.

(2) Vacation of one month's duration with full pay for every completed one year's service for recoupment of health or for other reasons. Such leave cannot be accumulated for more than three months. The above leave can only be given when it is not detrimental to the work of the institutions.

(3) Leave on medical certificate to the extent applicable to the daily rated and monthly rates staff on a pay of less than Rs.20/- per mensem for injuries sustained during the course of operations.
